

Volunteer Coordinator for Fundraising Needed

Serve as a Volunteer Coordinator for fundraising events of an International non-profit organization from home!

The International Humanity Foundation is looking for a volunteer coordinator for our Fundraising Team.

The Fundraising Volunteer Coordinator's duties include organizing volunteers throughout the world to host fundraising dinners (Of which our children in each of our centers participate in!) and to help coordinate other fundraising events throughout the year.

For those interested in an opportunity in a non-profit organization, serving on one of our international teams is also a great opportunity to see the inner-workings, the challenges and triumphs, of an organization which is run entirely by volunteers.

Costs: At-home volunteers are not responsible for paying any costs. IHF is committed to offering a cost-free service experience.

Salary/Pay: IHF offers its at-home volunteers no salary or stipend. IHF is run entirely by unpaid-volunteers who are dedicated to doing their work simply to help disadvantaged children and to give them opportunities they wouldn't otherwise have.

Availability: Participants Worldwide.

Typically Participants Work: Independently or in groups.

Application Requirements: Resume, written application.

Qualifications: Applicant must speak English fluently and have a great attitude. Applicant must also be well organized, reliable, a team player, fast learner, flexible and interested in global change through education and service. Most importantly, applicant must have an open heart and a willingness to help others and to make a difference! A reliable internet connection is also a must.

Mission Statement:

Half of IHF's mission is to educate the poor and the other half is to educate the world about the poor. Our vision is to strive for a world of leaders and citizens who have interacted with, and are truly knowledgeable about the world's poor. We believe in a "pass it on" philosophy where education is free and available for all who seek it. Those of us who have received a free education pass it on by helping others less fortunate by teaching, interacting and learning. With just a few hours a week, our volunteers, children and sponsors are changing the world we live in.

IHF is a non-religious, non-political, non-profit organization that strongly believes in an equal opportunity for all and in preserving the cultures, traditions and beliefs of the marginalized communities it works in.
